**Sonoma County Galleries,**  
**the destination for visual arts**

With a lush pastoral beauty that offers every natural delight available from vineyard and forest to sea, Sonoma County has long been hailed as a utopia—a land that draws dreamers and beckons to the creative mind. The brilliant atmosphere of the area continues to lure and

Sonoma County is blessed with a proximity to San Francisco that allows its residents to enjoy urban excursions while offering a daily lifestyle that remains close to the land. And from nature comes art. So it is for the artists—many who are nationally and internationally renowned—who choose to call Sonoma County their home.

Catering to a discerning clientele, Sonoma County galleries offer it all, from masterworks dating from the magnificent California impressionist period to contemporary work that pushes the notion of what art can be in the 21st century.

Spend a weekend exploring Sonoma County galleries and you will run the gamut, from master painters to fine art photography, from printmakers to sculptors, from artisan crafts to the imaginings of conceptual pioneers.
